

“OPERATION INDEPENDENCE”

Veterans helping Veterans

For Independence Day 2010, we will once again be collecting items to deliver to The Good Neighbor Center (GNC) in North Charleston.

The GNC provides transitional housing for homeless Veterans in the community. Their primary goal is to assist homeless veterans, helping them transition back to independent, self-sufficient members of the community.

Please support our Veterans and this Center by donating as many of the following items as you can spare by July 4th, 2010:

- Paper/Plastic products (Paper towels, toilet paper, plates, plastic cups and utensils)
- Cleaning products (Lysol, laundry soap, various cleaners)
- Non-perishable Food (Canned items, snacks, soda, etc.)

Your donations can be dropped off at the VFW; a box will be provided inside the front door (as it fills, we will store the goods in the closet). Delivery will then be made to The Good Neighbor Center the first week of July 2010.

Please contact me if you have any questions.

Robert Holsclaw
